RUBEN DIAZ, JR., BOROUGH PRESIDENT

PAUL FOSTER, CHAIRMAN

FERNANDO P. TIRADO, DISTRICT MANAGER

COMMUNITY & INTERGOVERNMENTAL RELATIONS /
LONG TERM PLANNING COMMITTEE MEETING AGENDA
Thursday, February 16th, 2012 @ 6:30 PM

- I) Commencement of meeting at 6:45 pm
- II) Topics of Discussion:
 - A) Feedback on 2/11/12 concert at Kingsbridge Armory:
 - 1) No feedback yet; neither negative or positive
 - 2) All committee members present at the meeting agreed on the need to meet with EDC to discuss the following topics:
 - a) Clear and direct communication between EDC and Community Board #7 as to when future events will take place
 - b) Security measures in place; police officers assigned security personnel provided by concert promoters, etc.
 - c) Sanitation procedures; who is responsible for clean-up afterwards?
 - d) Prevention of crime (before & after concerts)
- III) Tentative plans are being made to assemble background info packets on both the Kingsbridge Armory and Webster Avenue Rezoning Projects for all committee members - The goal being to bring new and old committee members up to date on past goals and accomplishments and take suggestions as how to improve for future
- IV) Arrangement of meeting with Councilman Joel Rivera regarding "old" Fordham Library site - the goal is to receive input and opinions from councilman's office re. site (time, day, agenda up for discussion)
- V) Background Survey of all schools in district to determine if sites where schools were built were contaminated in past- all committee members agreed to survey to prevent future P.S. 51 scenarios.
- VI) Committee members discussed the need to study and survey the root causes of our district's high asthma rates among children and adults-committee member Ezequiel Jimenez commented on the board's need to know the root causes so the community as a whole can formulate both short - term and long-term solutions to address the problem
- VII) Adjournment of meeting at approximately 8:00 pm
