COMMUNITY RELATIONS / LONG TERM PLANNING COMMITTEE MEETING MINUTES Tuesday, March 29, 2016 @ 6:30 PM

- I) Attendance sheet in file
- II) Discussion:
- A) Our long term planning committee meeting invited the local branch of the United States Postal Service to discuss the community's concern regarding what seems to have been a lack of service delivery in the community. The representatives, who were invited to give an overview of USPS's services at Bronx Community Board 7's upcoming full board meeting, spoke with the committee about the following issues:
- 1) Surveying the community to promote improved service delivery
 - 2) Informing the community about job opportunities with the post office
 - 3) New techniques to make it convenient for customers to pick up their mail office
- III) Livable Neighborhoods Workshop Info:
- A) If you missed Bedford Park's Livable Neighborhoods Workshop in March, join Bronx Community Board 7's Long Term Planning and Community Relations Committee, NYC Small Business Services, and the Municipal Art Society to learn what it takes to advocate for the changes you would like to see in your community
- B) At our final workshop this Saturday, April 23rd local residents, stakeholders, businesses, and leaders will come together to define our neighborhood's creative and cultural strengths, assets, needs, and vulnerabilities through a survey mapping exercise, and local walking tours. These exercises will examine local arts and culture to ensure they are integrated into the revitalization of our commercial corridors. The workshop will be held at Public School 54
- IV) Meeting adjourned
